Twelve South PowerCord 1.2m - White/Dune

Never struggle with short cables or bulky power adapters again! The Twelve South PowerCord 1.2m (White/Dune) combines a 30W USB-C Power Delivery charger and a durable braided cable in one elegant solution. Enjoy the freedom to power your devices exactly where you need them — without compromising on style, performance, or durability.
Designed with Twelve South's signature minimalist aesthetic, this premium charging cable with integrated EU plug blends seamlessly into your workspace or home setup.

- Reliable 1.2m length for convenience – Perfect balance between reach and manageability.
- Built-in 30W USB-C Power Delivery charger – Fast, efficient, and safe charging for phones, tablets, and laptops.
- Durable flat braided nylon design – Resists tangling, fraying, and wear for long-lasting use.
- Universal EU plug compatibility – Works with all standard EU sockets for effortless power access.
- Sleek White/Dune colorway – Complements any modern or Scandinavian-inspired aesthetic.
- High-quality construction – Reinforced strain relief and premium materials for reliable daily performance.

Reliable 1.2m Length for Everyday Use
The PowerCord's 1.2-meter cable offers the ideal balance between flexibility and practicality. Whether powering devices on your desk, nightstand, or across the room, it provides generous reach while staying neatly manageable.

30W USB-C Power Delivery Charger
With 30W PD 3.0 / PPS support, the PowerCord delivers fast, efficient charging for a wide range of USB-C devices — from iPhones and iPads to MacBook Air and other laptops. No more separate adapters or bulky chargers — just plug in and power up.

Durable Flat Braided Nylon Design
Engineered for durability, the flat braided nylon cable resists tangles, frays, and daily wear. Its low-profile design lies flat on your desk or wall, keeping your setup organized and visually clean.

Universal EU Plug Compatibility
Optimized for Europe, the integrated EU plug works with all standard EU power sockets. Enjoy a secure, stable connection whether at home, in the office, or on the go — perfect for professionals and travelers alike.

Sleek White/Dune Colorway
Twelve South's White/Dune finish embodies understated elegance. The neutral tones complement modern interiors, blending effortlessly into minimalist or Scandinavian-inspired spaces.

Premium Construction for Reliable Power
Built with reinforced connectors and premium internal components, the PowerCord ensures safe and consistent power delivery. Enjoy peace of mind knowing your devices are powered efficiently and reliably every time.
