All-in-one Portable Charger
Experience the future of charging with Satechi Quatro. This power bank combines advanced Qi wireless and portable charging technologies to power up your iPhone 11 or Apple Watch, whether chilling on the couch or travelling outstation. The Quatro charger hosts a 10,000mAh battery life capacity, capable of fully recharging an iPhone 11 twice without a power outlet.

Built-in Apple Watch Charger
Satechi Quatro isn't your traditional portable charger. It's thoughtfully designed with a built-in Apple Watch charging module. This means you can wirelessly power your smartwatch without the fuss of additional cables.

Fast Charging On-the-Go
Say goodbye to long waiting hours for your devices to recharge. Satechi Quatro has a USB-C PD that enables quick charging for your iPhone, iPad Pro, or other compatible devices at up to 18W for both input and output. With an extra USB-A port, you no longer need to debate who gets to use the charger first!

10,000mAh Battery Capacity
Upholding the promise of robust performance, Satechi Quatro delivers a whopping 10,000mAh battery capacity. This well-equipped power bank can replenish the battery of your iPhone 11 up to two times, ensuring that your devices never run out of juice when you need them the most.

Qi Wireless Charging
Adding to its impressive features, Satechi Quatro is outfitted with Qi wireless charging. This technology liberates you from tangled wires and offers a streamlined device charging solution.
