Plaud Note Pro - Black

PLEASE NOTE: A black magnetic case is already included – no need to purchase an additional one! You also get 300 minutes of AI transcription per month at no extra cost.

Turn every conversation into structured, searchable knowledge. Plaud Note Pro auto-detects calls vs. in-person meetings, captures clear audio across the room, and generates action-ready summaries—inside a device that slips behind your phone.

- Smart Dual-Mode Recording: Automatically switches between call and meeting capture
- Press-to-Highlight (Real-Time): flag key moments as they happen to steer the AI summary.
- Long-Range, 4-Mic Pickup: AI beamforming keeps voices clear up to 5 m
- 30-hour Enhance mode or 50-hour Endurance mode battery life
- InstantView AMOLED Display: 0.95", 600 nits, Gorilla® Glass—status at a glance, even outdoors.
- Multimodal input: audio + text + images + press-to-highlight
- Apple Find My: Locate your Plaud Note Pro instantly if it's ever misplaced
- **ISO 27001, ISO 27701**, **GDPR**, **SOC 2**, **HIPAA**, and **EN18031** compliant

Smart Dual-Mode Recording
Plaud Note Pro recognizes whether you're on a phone call or in a room and records the right way—automatically—so you never miss context or waste time switching inputs. A built-in Vibration Conduction Sensor (VCS) enables native phone call recording by detecting vibrations directly from the device.

Press-to-Highlight for sharper summaries
Tap once to mark the moments that matter. Those highlights guide the transcript and the AI, so your output surfaces decisions, tasks, and next steps more quickly.

Room-scale clarity with AI beamforming
Four precision MEMS microphones and AI beamforming extend clean pickup to 5 m, while noise suppression focuses on the speaker you care about—ideal for boardrooms, classrooms, and interviews.

A battery that fits your week
Choose the mode you need: Enhance for up to 30 hours with a 5 m pickup, or Endurance for up to 50 hours at 3 m. Up to 60 days of standby keep you ready for travel and long event days.

Engineered for everyday carry
A premium aluminum-alloy body topped with Corning Gorilla Glass keeps the 0.95" InstantView AMOLED display protected and legible (600 nits). Credit-card thin, 2.99 mm, 30 g, and it snaps magnetically to your phone.

Apple Find My
Locate Plaud Note Pro instantly. Easily track Plaud Note Pro if it's ever misplaced. Locate it instantly, so you spend less time searching and more time focusing on what matters.

Built with privacy at the core
Your data stays yours. Plaud is **ISO 27001**, **ISO 27701, GDPR, SOC 2, HIPAA,** and **EN 18031** compliant, with secure sync across app, web, and desktop, and unlimited cloud storage. Your recordings are protected with AES-256 encryption at rest and TLS 1.2+ in transit. Plaud does not train AI models on your recordings, and no human audio review takes place.

112-Language Transcription + Role-Ready Summaries + AutoFlow
Accurate 112-language transcription with speaker labels, AI that turns conversations into role-specific summaries you can query across files, and AutoFlow that delivers notes— in 27+ formats—straight to your team's tools, hands-free. Choose from 10,000+ professional summary templates tailored to specific roles and use cases, and use Ask Plaud to extract actionable insights from any recording.

How AI transcription minutes work
Every Plaud device includes the free Starter plan: **300 minutes** of AI transcription per month, no subscription required.
Need more minutes? Upgrade to a Pro or Unlimited plan, or buy extra minutes anytime here: **Plaud Subscription**
