AM Mist Screen Cleaner - Pink

Keep your screens spotless and your gadgets pristine with the AM Mist Screen Cleaner. Designed to combine convenience, sustainability, and effective cleaning, this 2-in-1 spray and microfiber cloth will quickly become your go-to cleaning solution for sensitive screens. With a sleek grey design and a refillable system, it’s the smart, eco-friendly way to care for your screens and contribute to reducing plastic waste.

- 2-in-1 cleaning solution with washable microfiber sleeve
- Non-toxic, alcohol-free liquid that's safe for all screens
- Refillable and reusable to help reduce plastic waste
- Secure, mess-free twist pump cap
- Eco-friendly refill system with recyclable packaging

2-in-1 cleaning solution with washable microfiber sleeve
The Mist Screen Cleaner combines a powerful cleaning liquid with a microfiber cloth for effortless maintenance of your devices. Simply spray the non-toxic solution onto your screen and use one side of the washable microfiber sleeve to wipe away dirt, smudges, and fingerprints. If any residue remains, rotate the product and use the dry side to achieve a streak-free finish.

Non-toxic, alcohol-free liquid that's safe for all screens
The cleaning liquid is specially formulated without alcohol, ammonia, or harsh chemicals, making it safe for even the most sensitive screens. Whether you’re cleaning smartphones, tablets, laptops, or even eyeglasses, this gentle formula ensures no damage to your devices or irritation to your skin, even with regular use.

Refillable and reusable to help reduce plastic waste
Designed with sustainability in mind, the AM Mist lets you reduce your environmental footprint with every use. Its spray bottle can be refilled infinitely, eliminating the need for single-use plastics while saving you money in the long run. By choosing AM Mist, you help keep 18 grams of single-use plastic waste out of landfills every time you refill.

Secure, mess-free twist pump cap
No spills, no mess. The Mist features a secure twist pump cap that locks into place, ensuring the liquid stays contained when not in use. Whether it's in your bag, your desk drawer, or on your countertop, you can rest easy knowing it won’t leak.

Eco-friendly refill system with recyclable packaging
AM’s refill pouches are designed to make sustainability simple. Once your spray runs out, you can conveniently order a REFILL pouch online. The pouch is made of recyclable plastic, making it easy to dispose of responsibly while aligning with your commitment to reducing waste.

Package includes

- 1 x Mist Screen Cleaner 10.5 ml (Pink)
