Steady Shots with Ergonomic Design
The Shutter Grip 2 features a non-slip ergonomic grip that ensures stable handling of your smartphone during photo and video capture. Say goodbye to shaky footage and blurry images – this grip provides the control you need for professional-quality results.

Versatile Functionality
With its built-in selfie stick and phone stand capabilities, the Shutter Grip 2 adapts to various shooting scenarios. Whether you're taking group selfies, recording vlogs, or setting up for time-lapse photography, this multi-functional accessory has you covered.

Remote Control Freedom
The removable Bluetooth shutter release gives you the freedom to capture photos from a distance. Perfect for group shots or when you need to be in the frame, this feature allows for effortless remote shooting.

Enhanced Accessories Support
The integrated cold shoe mount opens up a world of possibilities for your smartphone photography. Attach LED lights, microphones, or other accessories to elevate your mobile content creation game.

Wide Compatibility
Compatible with most iOS and Android smartphones, including popular models from Apple and Samsung, the Shutter Grip 2 is designed to work with your device, whether it's in a case or not. Its tensioned grip ensures a secure fit for various phone sizes.
