

Mujjo Sleeve 12 "- Premium Case for MacBook with details of genuine leather

Mujjo Sleeve 12 "- Premium Case for MacBook Air & Pro Retina with details of genuine leather

- Exclusive case for MacBook 12 "screen
- Made of heavy felt-fabric and soft leather of the highest quality
- Maximum quality feel and top finishes in every detail

The case is made of a thick and heavy filter fabric has a cover made of soft but substantial leather and protects your 12 "MacBook in all situations. The cover is locked with the help of a stylish button of gray metal.

On the inside you will find practical compartments for example, thus an iPad and a small pocket of leather credit card and an SD card.

Felt fabric is an environmentally friendly and highly durable material that resists wear and protects your MacBook from bumps and scratches. It is easy to keep clean, not pilling and is also waterproof.

The leather has a waxed surface and will only get prettier and shinier with time!

Available with black or brown cap.
