Ultra Compact Design
Satechi 30W USB-C PD GaN Wall Charger boasts a slim and compact design that is easy to carry around. Its compact size, made possible by upgraded GaN technology, is more compact than its original counterparts.

Advanced USB-C 30W Power Delivery
Equipped with a USB-C Power Delivery port, the Satechi 30W PD GaN Wall Charger comes loaded with 30W of output power. This feature facilitates an efficient charge for your 2020 MacBook Air at full speed.

Stylish Aluminum Design
Beyond its functional attributes, the Satechi 30W PD GaN Wall Charger is encased in a sophisticated aluminium design that is both durable and aesthetically pleasing.

Rapid Charging with Up to 3x Faster Speed
Experience the power of rapid charging three times faster than standard 5W chargers. Enjoy a noticeably quicker charging process, whether it’s an iPhone 13 series, iPad Pro M1, or other Android devices.

Utilizes Breakthrough GaN Technology
Step into the future of charging with the next-gen gallium nitride (GaN) technology that replaces previous silicon material, providing faster and more efficient charging. This upgraded technology enables fewer components to be used, enhancing the overall charging process.
