

Baseus Superlative Multifunctional HUB - Black

The Baseus Superlative USB-C docking station 6-in-1 with Apple Watch charging, HDMI, USB 3.0 and 60W PD brings your everyday connections together in one compact hub. Connect a display, transfer files, use wired audio and charge your Apple Watch while keeping your compatible laptop powered. Its aluminium alloy body and tempered glass panel make it a practical addition to your desk and easy to take with you.

- Charge your Apple Watch wirelessly
- Expand your workspace with six connections
- Connect a larger display in 4K
- Transfer files at up to 5 Gbps
- Keep your laptop powered with 60W PD

Charge your Apple Watch wirelessly

Place your Apple Watch on the built-in wireless charging dock for convenient charging at your desk. The dedicated 2W charger sits beneath a mirrored tempered glass panel, keeping watch charging within easy reach without a separate charging dock.

Expand your workspace with six connections

Make more of your compatible USB-C laptop or desktop with two USB 3.0 ports, HDMI, a USB-C PD power input, a 3.5 mm audio interface and an Apple Watch charging dock. Connect peripherals and use wired headphones or a microphone through one compact hub.

Connect a larger display in 4K

The HDMI output supports resolutions up to 4K at 30 Hz. Connect a compatible monitor, television or projector to give presentations more room, view detailed content or enjoy films on a larger screen.

Transfer files at up to 5 Gbps

The two USB 3.0 ports support data transfer speeds of up to 5 Gbps, helping you move large files and videos efficiently. Backward compatibility with USB 2.0 and USB 1.1 also lets you connect older USB devices.

Keep your laptop powered with 60W PD

The USB-C PD port supports power input of up to 60W, allowing you to keep a compatible laptop powered while using the hub. Connect a suitable USB-C PD power supply to work, transfer files and use your connected devices while charging.
