# Twelve South butterFly SE - Coastal blue

Charge your Apple devices at home or on the go with ButterFly SE from Twelve South. This compact, foldable 2-in-1 charger fits easily into your bag and opens to charge your iPhone and Apple Watch—or AirPods—at the same time. With a Coastal Blue finish, magnetic Qi2 charging and a built-in stand, it is designed for travel and everyday use.

- Ultra-compact, foldable design
- Dual magnetic Qi2 chargers for simultaneous charging
- Soft, non-slip finish in Coastal Blue
- Hands-free viewing stand for iPhone and Apple Watch
- Compatible with iPhone, Apple Watch and AirPods

**Ultra-compact, foldable design**
About the size of a double-filled cookie, ButterFly SE fits easily into a pocket, handbag or laptop bag. Unfold it to reveal two magnetic charging surfaces. Built-in magnets keep it securely closed and protected in transit.

**Dual magnetic Qi2 chargers for simultaneous charging**
Charge your iPhone and Apple Watch at the same time without carrying separate chargers. Magnetic alignment helps position your devices for efficient wireless charging. The Qi2 charging surface also supports AirPods with a wireless charging case.

**Soft, non-slip finish in Coastal Blue**
The soft-touch Coastal Blue finish feels comfortable in your hand, while the non-slip surface helps keep devices in place during charging to reduce slips and misalignment. A matching braided USB-C charging cable completes the design.

**Hands-free viewing stand for iPhone and Apple Watch**
Fold ButterFly SE into a stand to view your iPhone hands-free while it charges, whether you are streaming, making FaceTime calls or using StandBy mode. The magnetic Apple Watch charger tilts upright for bedside viewing, so you can easily check the time and alarms.

**Compatible with iPhone, Apple Watch and AirPods**
ButterFly SE supports all iPhone models with MagSafe from iPhone 12 to iPhone 18, including mini, Pro and Max versions. It also works with Apple Watch Series 1–12, Apple Watch Ultra 1–4 and Apple Watch SE, as well as AirPods Pro and AirPods with a wireless charging case.
