

Baseus Whirlwind Wireless Fast Charger with Built-in Fan and Qi Support for Smartphones - Black

Power up faster and smarter. The Baseus Whirlwind Wireless Fast Charger combines rapid Qi wireless charging with active cooling to keep your phone safe and efficient while it charges. Just place your device down and let the charger do the rest—no cables, no fuss, just reliable speed and safety in a sleek black finish.

- Automatic recognition adjusts power to your device
- Built-in fan delivers active cooling while charging
- Charges through cases up to 0.8 mm
- Auto power-off when fully charged for safer use
- Fast wireless charging up to 10 W with QC 3.0 support

Automatic recognition adjusts power to your device

The charger intelligently identifies your phone and optimizes output for the best balance of speed and battery health. Whether you're charging an iPhone or a Samsung, it automatically delivers the right power for stable, efficient charging every time.

Built-in fan delivers active cooling while charging

An integrated cooling fan dissipates heat during charging, helping maintain optimal temperatures for both your phone and the charger. This improves charging efficiency, protects battery longevity, and ensures consistent performance even during fast charge sessions.

Charges through cases up to 0.8 mm

No need to remove your case. The Whirlwind charger works seamlessly through slim cases up to 0.8 mm thick, so you can drop and charge without changing your daily routine.

Auto power-off when fully charged for safer use

For added peace of mind, the charger automatically stops delivering power when your device reaches 100%. This helps prevent overcharging and keeps both your phone and charger safe during overnight or unattended charging.

Fast wireless charging up to 10 W with QC 3.0 support

Enjoy rapid wireless charging up to 10 W when paired with a Quick Charge 3.0 power adapter. Top up your compatible devices quickly, including popular Qi-enabled smartphones like iPhone 8 and newer, and Samsung Galaxy models with Qi support.

Package includes

- 1 x Baseus Whirlwind Wireless Fast Charger

Product specifications

- Brand: Baseus
- Model: Whirlwind Wireless Fast Charger with Built-in Fan and Qi Support for Smartphones
- Color: Black
- Wireless charging standard: Qi
- Input: 5 V 2 A, 9 V 1.67 A
- Output: Up to 10 W (max)
- Fast charge standard: Quick Charge 3.0 (requires compatible adapter)
- Cooling: Built-in fan
- Case support: Up to 0.8 mm thickness
- Port: USB-C
- Materials: Zinc, plastic, silicone
- Compatibility: Qi-enabled smartphones (e.g., iPhone 8/8 Plus/X and newer, Samsung Galaxy S8/S9/S9+ and later)
