Baseus Wing Case for the iPhone XS Max - White

Keep your iPhone XS Max protected without hiding its design. The Baseus Wing case combines an ultra-thin, lightweight fit with a translucent matte finish, reinforced corners and a raised camera edge. It follows your phone's contours while keeping ports and controls easily accessible.

- Ultra-thin, lightweight fit
- Translucent matte finish that resists fingerprints
- Flexible polypropylene that resists yellowing
- Everyday protection with reinforced corners
- Raised edge for added camera protection

Ultra-thin, lightweight fit
Enjoy a slim case that adds protection without unnecessary bulk. The Baseus Wing case closely follows the contours of your iPhone XS Max, preserving its shape and leaving ports and controls freely accessible.

Translucent matte finish that resists fingerprints
Let your phone's design show through a subtle, translucent finish. The lightly textured matte surface feels comfortable in your hand and resists fingerprints for a cleaner appearance.

Flexible polypropylene that resists yellowing
Made from flexible, wear-resistant polypropylene, the case combines a lightweight feel with durability for everyday use. The material resists yellowing to help maintain its appearance over time.

Everyday protection with reinforced corners
Help protect your iPhone XS Max from scratches, scuffs, dust and dirt. Reinforced corners add protection in vulnerable areas while keeping the overall design slim.

Raised edge for added camera protection
An elevated edge around the camera helps keep the lenses away from flat surfaces when you set your phone down. This detail helps reduce contact that can cause everyday scratches.

Package includes
