Simplify your space with Bluelounge Cable Drop Mini, the ultimate solution for managing loose wires and keeping them within reach. Designed with both form and function in mind, these discreet cable holders provide a secure grip on your cables, ensuring they are always where you need them. Perfect for the home, office, or any workspace, the Cable Drop Mini 9-pack in black blends seamlessly with any decor while offering the convenience you deserve.

- Innovative design prevents cable slippage
- Self-adhesive for secure positioning
- Easily removable to protect surfaces
- Dual-colour options for a customized look
- Multipurpose use on various surfaces

Innovative Design Prevents Cable Slippage
No more scrambling on the floor for cords after charging your devices. The Cable Drop Mini features a unique, innovative design that keeps your cables in place. This means that when you unplug your laptop or cell phone, you can rest assured that your cords won't slide off the table or get lost behind furniture.

Self-Adhesive for Secure Positioning
The Cable Drop Mini has a robust, self-adhesive backing that allows quick installation. Peel and stick to any clean and dry surface for an instant cable management solution. The adhesive is robust enough to hold your cables securely but discreet enough not to damage surfaces upon removal.

Easily Removable to Protect Surfaces
Designed for a damage-free experience, the Cable Drop Mini can be removed cleanly without residue. This feature makes it ideal for temporary workspaces or those who frequently change their setup. Enjoy the flexibility of a cable management system that goes wherever you go.

Dual-Colour Options for a Customized Look
Available in two classic colours, black and white, the Bluelounge Cable Drop Mini easily blends into any environment. Whether you prefer a subtle look that matches your workspace or want to mix and match colours for a more personalized touch, the choice is yours.

Multipurpose Use on Various Surfaces
The possibilities are endless with the Cable Drop Mini. Beyond keeping cables from falling off desks, they can adhere to walls, furniture, and more to contain unruly cords. Use them anywhere you seek to streamline cable clutter for a neater, more organized space.
