# UAG Plyo Pro case for Samsung S25+ - Ice/Silver

Elevate your Samsung S25+ protection with the UAG Plyo Pro case. This sleek and stylish case offers military-grade drop protection while maintaining a slim profile, ensuring your device stays safe without compromising on aesthetics.

- Military-grade drop protection
- Slim and lightweight design
- Transparent back with ombre effect
- Wireless charging compatible
- Easy access to all ports and buttons

**Military-grade drop protection**
The UAG Plyo Pro case features a robust construction that meets military drop-test standards (MIL-STD 810G 516.6). This ensures your Samsung S25+ is protected from accidental drops, bumps, and shocks, giving you peace of mind in your daily activities.

**Slim and lightweight design**
Despite its superior protection, the UAG Plyo Pro maintains a slim and lightweight profile. This allows you to enjoy the sleek design of your Samsung S25+ without adding unnecessary bulk, making it comfortable to hold and easy to slip into your pocket or bag.

**Transparent back with ombre effect**
Showcase your Samsung S25+ original design with the case's transparent back. The stylish black to clear ombre effect adds a touch of sophistication, allowing you to protect your device without sacrificing its aesthetic appeal.

**Wireless charging compatible**
The UAG Plyo Pro case is designed to work seamlessly with wireless charging technologies. You can charge your Samsung S25+ without removing the case, ensuring convenience and continued protection.

**Easy access to all ports and buttons**
Precise cutouts and responsive button covers provide easy access to all your device's features. From the camera to the charging port, you'll have unhindered use of your Samsung S25+ functionality while keeping it protected.
