

Experience a clutter-free environment with the Bluelounge Cable Drop XL - XL2, the heavyweight champion of cable management. Ideal for organizing and securing bulky cords at your workspace or home, our Cable Drop XL - XL2 ensures your cables stay where you need them while maintaining the sleek design and functionality Bluelounge is known for.

- Secure heavy-duty cords effortlessly
- Designed for large cables with nonintrusive installation
- Crafted from durable materials for lasting use
- It can be easily positioned and becomes permanent over time
- Works on any smooth, flat surface for seamless application

Effortless Cord Management

No more tangled messes or cables slipping behind desks! The Cable Drop XL - XL2 is ingeniously crafted to keep heavy-duty cords securely in place. With a simple peel-and-stick application, this product offers a convenient solution to cable management, specially designed to handle the weight and thickness of larger cables.

Large Cable Compatibility

The Cable Drop XL - XL2 has been designed to accommodate larger cords. No matter the size of your cords, our cable holders provide a snug and secure fit. Choose Cable Drop XL - XL2 for a discreet and effective way to organize your space.

Sturdy and Long-lasting Materials

Constructed from high-quality plastic and stainless steel with TPU adhesive, the Cable Drop XL - XL2 is made to stand the test of time. Despite its robust construction, these cable holders boast a minimalistic design that blends seamlessly into your workspace.

Permanent Yet Removable on Application

Enjoy flexibility during installation; the TPU adhesive allows for repositioning when first applied. Rest assured, the Cable Drop XL - XL2 will become a permanent fixture in your space, providing a reliable anchoring solution for your cables without damaging your surfaces.

Universal Application

Immediately place the Cable Drop XL - XL2 on any smooth, flat surface. Whether it's securing cords along baseboards, walls, or desks, these cable holders deliver a versatile and straightforward solution to cable management, upholding the cleanliness and organization of your environment.
