Holds up to 5 cards
Keep your essentials organised with space for up to 5 cards: three in the outside pocket and two on the inside.

Versatile folding design
The wallet folds out into a stand, supporting your iPhone in portrait or landscape orientation for hands-free viewing, from presentations to your favourite TV shows.

Premium Velore leather
Made from fine-grain calfskin tanned using water-free DriTan technology, Velore leather feels soft to the touch and ages gracefully over time. The tanning process makes it a more sustainable choice.

Soft Japanese microfibre lining
The interior is lined with soft, satin-like Japanese microfibre that cushions and protects your cards.

Hidden spring to keep cards secure
A hidden spring mechanism in the outside pocket keeps your cards securely in place, even when the wallet is open.
