Keeps cables tidy and tangle-free
Say goodbye to messy wires around your computer, TV, and workspace. CableClip Medium gathers loose cords into a compact bundle, preventing snags and tangles so your surfaces stay clean and your cables last longer.

Adjusts cords to the perfect length quickly
Stop fighting with extra cable length. Wrap and secure just the amount you need for a clean, streamlined setup. Change lengths on the fly to match different devices or positions without fuss.

Medium size fits a wide range of everyday cables
Designed to handle common cable diameters, the Medium size is ideal for charger leads, computer peripherals, and similar cords. It offers a secure hold while remaining easy to open and reclose when you need to reconfigure.

Ready for home, office, and travel use
Lightweight and compact, CableClip Medium keeps your cables organized wherever you are. Use it on your desk, behind the TV, in your bag, or on the go to keep tech tidy and accessible.

Color-coded set in Orange and Grey for easy identification
Sort and find the right cable at a glance. The Orange and Grey mix lets you assign colors by device or purpose, so you always know which cord is which.
