Ergonomic Support
The ALOGIC Elite Plus Adjustable Laptop Riser allows you to adjust both height and angle, ensuring you can customize your workspace according to your ergonomic needs. This feature helps in minimizing neck fatigue and eye strain, making long working hours more comfortable.

Universally Compatible
This versatile riser is designed to fit the majority of laptop models and sizes. Whether you use a MacBook Pro, MacBook Air, Dell XPS, or Chromebook, the Elite Plus is a perfect fit, allowing seamless sharing between multiple users at home or in the office.

Quality Construction
Crafted from high-quality aluminium alloy, the ALOGIC Elite Plus Laptop Riser combines durability with elegance. Its sophisticated look does not skimp on functionality, providing the strength needed to withstand daily wear and tear while enhancing your workspace aesthetics.

Silicone Pads for Laptop Stability
To ensure complete safety for your laptop, the riser includes strategically placed silicone pads. These pads prevent any wobbling and secure your device in place, giving you peace of mind as you work.

Long-life Material
Constructed from durable aluminium alloy, the Elite Plus is built for longevity. Its robust materials guarantee a stable platform for your laptop, absorbing the strains of everyday use while maintaining its stylish appearance.
