Bluelounge CableDrop Mini 9-pack - Ombre Blush

Organize your space and ensure your cables are always within reach with the Bluelounge CableDrop Mini - a stylish and functional solution that calms your cable chaos. With its ombre blush colour, this 9-pack offers an elegant touch to any setting, ensuring your charging cables and other cords stay exactly where you need them.

- Say goodbye to bending over to pick up fallen cords with self-adhesive cable grips.
- Easy to attach and remove without leaving residue.
- Available in a calming ombre blush colour to match any decor.
- Gently secures cables in place to prevent them from slipping off surfaces.
- Versatile usage on desks, furniture, or walls to tame unruly cords.

Self-Adhesive Convenience
The self-adhesive feature of the Bluelounge CableDrop Mini allows for quick and easy installation. Peel off the backing and attach it to any smooth surface where you need your cables to stay put. Whether it's your nightstand, desk, or along the edge of furniture, these little helpers ensure your charging cord is there when needed.

Stylish and Practical Design
Bluelounge CableDrop Mini is not just about function—these cable organizers look good, too. With a sleek ombre blush finish, they are a decorative accent for any workspace or living area. Blending style with utility, they keep your space clean and your cables controlled.

Effortless Application and Removal
Wasting time untangling cords is a thing of the past. These cable grips stick firmly yet come off cleanly when it's time to change their location. The CableDrop Mini is designed to hold your cables securely without damaging the surface you've chosen for its placement.

Universal Cable Management
Designed to hold a variety of cable sizes gently, Bluelounge's CableDrop Mini ensures that it will be neatly managed and ready for use, whether it's your laptop charger or your phone's USB cable. They're wonderful for maintaining order and extending the longevity of your electronic accessories.

Multi-Surface Use
Experience the freedom to use Bluelounge CableDrop Mini wherever you need it. Place these discreet cable holders under your desk, behind your nightstand, or even on the wall to direct and guide cables where you want them to go.
