ALOGIC PRIME MX2 Universal Dock - Space gray

Unlock the full potential of your laptop with the ALOGIC PRIME MX2 Universal Dock. Designed for compatibility with all Windows and macOS laptops, it offers access to all essential ports required in various settings like home office, education, or corporate environment. It also supports immersive dual 4k resolutions, offering an ultra-definition viewing and multitasking experience.

- Immersive Dual 4K Display
- Simplified Connectivity with DP Alt. Mode Technology
- Ultra HD View
- Single 5K Display Compatibility with Mac
- Dual 4K Display Compatibility with Windows

Immersive Dual 4K Display
The ALOGIC PRIME MX2 can connect to two external displays at up to 4K resolutions, allowing you to view larger spreadsheets and compare complex designs easily, improving your productivity.

Simplified Connectivity with DP Alt. Mode Technology
Featuring the DP Alt Mode technology, the MX2 directly connects to two displays and multiple accessories, saving you the hassle of installing drivers or software. Just plug in and get started!

Ultra HD View
Enhance your viewing experience with the Ultra HD feature of the MX2. This feature is perfect for those who need to work on multiple screens simultaneously or view high-resolution content.

Single 5K Display Compatibility with Mac
Mac users can benefit from the powerful capabilities of the ALOGIC PRIME MX2, which supports a single 5K display, providing a picture-perfect home office setup.

Dual 4K Display Compatibility with Windows
Windows users can use the docking station's capacity to run two ultra-polished external displays simultaneously, offering more screen space and sharper visuals.
