Bluelounge Casa - Black

Casa will be your surf flattened best friend!
- Provides comfortable reading angle and fits all tablets such as the iPad
- Slim and lightweight - perfect both at home and on the go
- Built-in storage for small items

Casa is a convenient stand for all types of reading and tablets, mobile phones etc. It also has space for small items scattered on your desk, kitchen counter or bedside table.
The tablet will support stable and can be viewed from two different angles, making it just as easy to surf and write, as just looking at the screen. This is thanks to the co-molded rubber edge, which gives a good grip, and the pull-out tray.
Casa is the perfect accessory when you want to use your tablet at home, at work, on the train or while sitting in an airplane!
