Robust Construction with Non-Skid Feet

Made with T6 aircraft-grade aluminium, the Posto 2 is lightweight and highly durable. It has superior-quality Japanese micro-suction feet that firmly grip any surface without leaving residue or marks behind.

Attractive, Space-Saving Design

With its sleek, clean lines, the Posto 2 complements any desktop setting — at home, in the office, or studio. Its built-in wire wrap keeps your cables organized, ensuring your workstation remains spacious and clutter-free.

Created to Hold All Types of Headphones and Headsets

Whether you have large, professional-grade headphones or compact headsets, Posto 2 can accommodate them. Its design accounts for all weights and sizes, ensuring your headphones and headsets are neatly stowed away when unused.

Protects Your Headphones from Dirt and Damage

Posto 2 guards against unintentional spills, dust, and food particles by keeping your headphones elevated. It's the ideal solution for maintaining the pristine condition of your headphones and headsets.

Quick and Effortless Assembly

Assembling Posto 2 is a breeze. It has three parts that snap together in under 30 seconds — no tools are required. Making it a fantastic, easy-to-use addition to your desktop.

Package Includes

- Your Posto 2 comes as a set of three parts that can be swiftly assembled within seconds with no prior tools or expertise needed.
