MAUS Halter Klein - Transparent

Introducing the MAUS Halter Klein, the smart wall mount designed to fit your MAUS Xtin Klein into any space perfectly. Crafted with protection in mind, it features a transparent protective cover safeguarding your device from dust and water splashes. Whether you aim to incorporate it in your caravan, restaurant, hotel, or home, the MAUS Halter Klein delivers an easily accessible fire protection solution that leaves no residue.

- Designed for MAUS Klein
- Equipped with a Transparent Protective Cover
- Ensures Easily Accessible Fire Protection
- Ideal for Various Environments
- Does Not Produce Extinguishing Residues

Designed for MAUS Klein
The MAUS Halter Klein is an engineered wall mount designed specifically for the MAUS Xtin Klein. Perfectly aligned with your device's shape and size, it ensures a fitting and secure installation.

Equipped with a Transparent Protective Cover
MAUS Halter Klein has a transparent cover that shields your MAUS Xtin Klein from dust and water splashes. Its translucent nature allows easy device visibility, contributing to quick emergency response.

Ensures Easily Accessible Fire Protection
With its innovative design, the MAUS Halter Klein makes fire protection easily accessible. Whether in private or public spaces, it guarantees an effortless reach during times of need, with no hindrances.

Ideal for Various Environments
This wall mount is designed to fit seamlessly into any setting- from caravans and boats to hotels and restaurants. It's also perfect for home installation, catering to all your fire protection needs.

Does Not Produce Extinguishing Residues
One of the critical features of our Halter Klein is the absence of extinguishing residues. This feature ensures that your environments remain clean and undisturbed after usage, adding another layer of convenience to this product.
