BRYDGE

Brydge Stone Lite USB-C Multiport Hub – Dual 4K Display Docking Hub for Windows Laptops - Black

Create a clean, capable workspace with the Brydge Stone Lite USB-C Multiport Hub. Purpose-built for Windows users, Stone Lite delivers dual 4K display support, fast connectivity, and everyday practicality in a sleek, minimalist design. Plug in, power up, and expand what your laptop can do in an instant.

- Connect dual 4K displays
- Five essential ports in a minimalist hub
- Fast USB-C and USB-A 5 Gbps data
- Up to 85 W power passthrough
- Optimized for Windows with single or dual monitor support

Connect dual 4K displays
Drive two external monitors at up to 4K 30 Hz for a spacious, sharp desktop, or run a single display at 4K 60 Hz when you need ultra-smooth detail. With dual HDMI 2.0 ports, Stone Lite makes multitasking and content viewing effortless on Windows laptops that support extended displays.

Five essential ports in a minimalist hub
Get the connections you need without desk clutter. Stone Lite features two USB-C ports, one USB-A port, and two HDMI outputs, bringing displays, drives, peripherals, and more together through a single compact hub designed to complement any workspace.

Fast USB-C and USB-A 5 Gbps data
Move files, connect peripherals, and sync devices quickly and reliably. Both USB-C ports and the USB-A port support USB 3.1 Gen 1 speeds up to 5 Gbps, keeping your workflow responsive and your accessories performing at their best.

Up to 85 W power passthrough
Keep your laptop powered while you work. With up to 85 watts of power throughput, Stone Lite can pass charging power from your USB-C power adapter to your computer while simultaneously running displays and accessories.

Optimized for Windows with single or dual monitor support
Seamlessly expand your Windows 10 setup in extended display mode. Whether you prefer a single external monitor or a dual-screen layout, Stone Lite adapts to your workflow so you can focus on getting more done.
