Stylish and Durable Leather Construction

Experience the luxurious feel of high-quality leather with Twelve South CableSnap. These wraps are not just a practical cable management solution; they also add a touch of sophistication to your everyday carry. Their soft and durable leather ensures CableSnap will maintain elegance and quality over time, providing you with a cable organization solution that's as durable as it is chic.

Multiple Sizes for Neat Cable Management

With Twelve South CableSnap, say goodbye to the frustration of untangling cables whenever you need to charge your phone or laptop. It features a large wrap perfect for bulkier cables, like your MacBook charger, and two smaller ones for your iPhone lightning cable or other slim wires. CableSnap has got all your cable types covered for hassle-free organization.

Convenient Integrated Cable Loop

Losing cable organizers is a thing of the past with the smartly designed integrated cable loop found on the Twelve South CableSnap. Attached to one end of your cord, the CableSnap follows where your cable goes, making sure it's always there when you're ready to pack up or set up your work or play space.

Seamless Design Complements Tech Accessories

Twelve South CableSnap organizers are specifically fashioned to mirror the elegance of your high-end tech gadgets. Designed to serve sophistication, these leather wraps align with your premium fashion sense and upscale tech ensemble, ensuring you never have to compromise on style, whether at work or play.

Protective Functionality Extends Cable Life

More than just an organizational accessory, Twelve South CableSnap is essential for preserving the integrity of your precious cables. By avoiding kinks and knots, you prevent fray and damage that can compromise both the appearance and functionality of your cords. This means a longer life for your expensive tech accessories and safe operation at all times.
