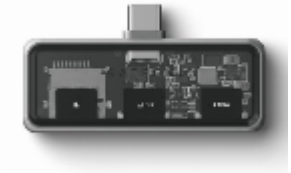
SATECHI

Satechi Mobile XR Hub with microSD - Space gray



The Satechi Mobile XR Hub with microSD is designed to enhance your mobile experience by providing wide-ranging connectivity options in a compact, portable design. Whether you're moving large files or working between devices, the Mobile XR Hub ensures you're always plugged in to what matters most. Expand your storage, connect essential devices, and streamline your workflow effortlessly with this sleek hub accessory.

- Expandable Storage with microSD Support
- Compact and Self-Cooling Design
- High-Speed Data Transfers, up to 10Gbps
- Power Delivery up to 100W
- Multiple Device Compatibility
- Plug-and-Play Functionality

Expandable Storage with microSD Support
Upgrade your storage capabilities on the go. The Satechi Mobile XR Hub comes integrated with a microSD card slot, allowing you to expand the storage space on your devices quickly and efficiently. Whether it’s for videos, photos, or large files, adding additional memory has never been easier.

Compact and Self-Cooling Design
Designed with portability in mind, the Satechi Mobile XR Hub is lightweight and slim, making it the perfect companion for your mobile devices. Carry it in your pocket or bag without worrying about bulk or weight—it’s the ideal travel partner for those who need connectivity wherever they go. Featuring a quiet fan and built-in air vents for extra ventilation and maximum efficiency.

High-Speed Data Transfers
Say goodbye to slow file transfers. The Satechi Mobile XR Hub supports high-speed data transfer rates, ensuring quick and seamless sharing of your files between devices. Our enclosure supports 2230mm NVMe SSDs with speeds up to 10Gbps, allowing you to transfer 3,000 high-res images in under a minute.

Multiple Device Compatibility
Whether you're using a laptop, smartphone, or tablet, the Satechi Mobile XR Hub adapts to suit your needs. It’s compatible across multiple platforms and devices, guaranteeing you’re always connected, no matter what technology you’re working on.

Plug-and-Play Functionality
Enjoy the convenience of plug-and-play functionality with the Satechi Mobile XR Hub. No need for drivers, complicated setups, or time-consuming software installations—just plug it in and you're ready to go! Experience hassle-free connectivity at its best.
