Latest Qi2 Technology for Powerful Charging
Experience superior charging performance with the OntheGo™ 3-in-1 Wireless Charger's advanced Qi2 technology. Delivering twice the power of standard Qi chargers, it provides 15W fast charging for your iPhone and 5W for both your Apple Watch and AirPods. The powerful integrated magnets ensure perfect alignment with your devices for maximum charging efficiency, eliminating the frustration of misaligned charging coils.

Three-in-One Convenient Charging Solution
Declutter your space with a single elegant charger for all your essential Apple devices. The OntheGo™ 3-in-1 Wireless Charger powers your iPhone, Apple Watch, and AirPods simultaneously, eliminating the need for multiple cables and adapters. This streamlined charging solution keeps your home, office, or travel setup organized and efficient.

Foldable, Portable Design Perfect for Travel
Take your charging station anywhere with the OntheGo™ 3-in-1 Wireless Charger's ingeniously compact design. Its slim, circular shape folds neatly to fit in pockets, bags, or carry-ons, making it the ideal travel companion. The included travel pouch provides extra protection, ensuring your charger remains pristine wherever your adventures take you.

Multiple Charging Positions for Versatile Use
Adapt your charging experience to any situation with multiple viewing angles and positions. Position your iPhone in landscape for watching videos, StandBy mode for easy viewing, or flat for simple charging. Your Apple Watch can be charged in flat or Nightstand mode, giving you complete flexibility to customize your setup to your specific needs.

Premium Materials with Elegant Sand Finish
Make a statement with the OntheGo™ 3-in-1 Wireless Charger's stunning Sand finish. Crafted from premium materials, this charger features soft, scratch-resistant accents that protect your devices while adding a touch of sophistication to any environment.
