- Invest in Your Health with Ease
- Culinary Delight in Every Leaf
- Zero-effort Pesticide-free Gardening
- Optimized Growth for Abundant Harvests
- Smart Design for Your Indoor Garden

Invest in Your Health with Ease

The Green Sorrel Refill provides a simple and convenient gardening solution and a nutrient-rich green packed with vitamin C, vitamin A, B-6, iron, magnesium, potassium, and calcium. The growth process is straightforward, making adding a health boost to every meal easy.

Culinary Delight in Every Leaf

Green Sorrel leaves bring a zesty, kiwifruit-like flavour to your meals, perfect for elevating simple salads or enriching the taste of your favourite soups and stews. This Green Sorrel Refill 3-Pack ensures your dishes are always garnished with freshness.

Zero-effort Pesticide-free Gardening

Experience the joy of gardening without the hassle. Click and Grow allows you to cultivate Green Sorrel indoors, yielding clean, chemical-free produce. This smart garden takes care of the growing process so you can enjoy the benefits of home-grown food with minimal effort.

Optimized Growth for Abundant Harvests

The Green Sorrel thrives at temperatures between 18°C and 24°C, with just one lamp arm. The Click and Grow Smart Garden controls these conditions perfectly, ensuring each leaf reaches its peak flavour and nutritional value within 5 to 6 weeks.

Smart Design for Your Indoor Garden

With Green Sorrel's sensitivity to heat, the Click and Grow system is designed to maintain the ideal range of 64°F to 72°F (18°C to 22°C). The smart garden's lighting is also adjustable to prevent plants from stretching and maximize yield without taking up valuable space in your home.

Package includes

- 3 Green Sorrel plant pods
