Vegan Leather
Crafted from high-quality polyurethane, an alternative to traditional leather, the Satechi Vegan-Leather Premium Desk Mat is designed with functionality in mind. Its construction emphasizes long-lasting durability.

Improved, Extended Size
The Vegan-Leather Premium Desk Mat has been enlarged to comfortably accommodate more of your workspace essentials. Measuring 68cm in length and 31cm in width, it offers ample space for your gadgets, writing tools, and even a quick snack, enhancing productivity and organization at your desk.

Multi-functional Usage
Our desk mat is versatile and can be used for various activities, such as a mouse pad, writing surface, and food mat. It caters to gamers aiming for peak performance, creative professionals needing a smooth canvas, and business professionals desiring efficiency in their workspace functionality.

Optimal Comfort and Protection
Experience optimal comfort with its seamless surface, perfect for long hours at your desk. Besides comfort, the mat's sturdy build and water-resistant properties protect your desk surfaces from spills and wear, ensuring your workspace remains clean and well-preserved.

Easy to Maintain
Maintaining the desk mat's pristine look is effortless. Its durable, water-resistant material allows easy clean-ups—wipe down with a damp cloth and mild soap to handle any spills or messes, making it an ideal choice for busy environments.
