A Bounty of Basil Varieties

Our Grow Smart Garden Refill pack includes a diverse mix of basil to expand your culinary horizons. Whether it's the sweet aroma of Classic Basil, the spicy undertones of Cinnamon Basil, or the unique flavour of Thai Basil, you're equipped to enhance your dishes like never before.

Custom-Tailored for Click & Grow Gardens

Seamlessly integrate these plant pods into your Click & Grow indoor garden for a stress-free growing experience. Watch your herbs flourish without the fuss - your smart garden takes care of the watering and nutrients, letting you focus on the harvest.

Harvest in Just Over a Month

Patience pays off quickly with the Click and Grow Smart Garden. In 30-40 days, your basil plants will be ready to snip and sprinkle over your favourite meals. Regular harvesting encourages the plants to grow even more lush and full - so the more you use, the more you'll have!

Quality Without Compromise

With the Click and Grow Smart Garden Refill, you can be sure your herbs are as pure as possible. No herbicides, pesticides, or other toxins are used in our growing process, ensuring your basil is clean and healthy for any application.

Enjoy Food Straight from Your Kitchen Garden

Savour the unmatched freshness of basil picked straight from your indoor garden. Infuse your meals with home-grown herbs that offer a garden-to-plate experience that will delight your taste buds and impress your guests.
