Curated 9-pack of essential grill and steak herbs
Get the classic trio every grill enthusiast needs. Parsley, thyme, and coriander have been carefully selected to elevate steaks, grilled vegetables, marinades, sauces, and more—so you can season like a pro with freshly picked herbs.

Effortless indoor growing with smart garden pods
Just insert the pods into your Click & Grow smart garden and let the system handle the rest. Automatic watering and optimal light make growing foolproof, so you enjoy thriving herbs with minimal effort and no green thumb required.

Harvest in 30–40 days for peak flavor
From planting to plate in about 30–40 days, your herbs reach full aroma and taste quickly. Harvest as needed for maximum freshness and keep your flavor game strong all season long.

Clean and safe: no herbicides or pesticides
Grow with confidence. Click & Grow plant pods are free from herbicides, pesticides, and other toxins, helping you serve cleaner, healthier meals.

Fresh, garden-to-plate taste from your kitchen
Experience the difference fresh herbs make. Snip what you need, when you need it—right from your windowsill. It’s the simplest way to boost everyday dishes with vibrant flavor and natural vitamins.
