SATECHI

Satechi X3 Wireless Keyboard US layout - Space gray

Elevate your workspace with the Satechi X3 Wireless Keyboard, engineered for Apple aficionados seeking seamless connectivity and functionality. With an ultra-slim design and compatibility across multiple devices, this keyboard is perfect for both remote work and home office setups.

- Designed for Apple Users
- Extended Layout with Numeric Keypad
- Multi-Device Bluetooth Connectivity
- Illuminated and Adjustable Backlit Keys
- Sleek and Portable Design

Designed for Apple Users
Tailored with Apple users in mind, the Satechi X3 Wireless Keyboard integrates seamlessly with your Mac devices. Equipped with MacOS function keys and optimised shortcuts, it assures efficiency and a smooth typing experience for all your Apple devices.

Extended Layout with Numeric Keypad
Expand your typing capabilities with the extended layout of the Satechi X3, which includes a handy numeric keypad. This additional feature is ideal for tasks requiring quick numeric entry, enhancing productivity for both professional and personal use.

Multi-Device Bluetooth Connectivity
Experience seamless device switching with the Satechi X3's feature to connect up to four Bluetooth devices. Effortlessly toggle between your Mac, iPad, or iPhone with a single click, making multitasking smoother than ever.

Illuminated and Adjustable Backlit Keys
Work comfortably in any environment with the illuminated keys on the Satechi X3. With ten adjustable brightness levels, this feature allows you to type effortlessly in low-light settings while maintaining accuracy and speed.

Sleek and Portable Design
Crafted with a modern aluminium finish, the Satechi X3 complements any workspace. Its ultra-slim profile makes it portable and stylish, so you can bring convenience and elegance wherever your creativity takes you.
