Click & Grow Smart Garden 9 Pro Starter Kit - White

Elevate your gardening experience with the Click and Grow Smart Garden 9 Pro Starter Kit. This innovative, app-controlled self-growing garden brings the joy of gardening into every home, regardless of space limitations or outdoor conditions. Trusted to provide an optimal environment for plants year-round, this garden kit makes it easy for anyone to grow fresh herbs, fruits, and vegetables.

- Featured with a companion app for easy control and plant-growing expertise
- Automatic watering system for hassle-free plant care
- Pro-grow lights ensure your plants receive the ideal amount of light
- Innovative technology supplies the perfect balance of nutrients and oxygen to plant roots
- The ability to grow a variety of plants any day of the year

App-controlled Growing System
The Click and Grow app gives you complete control over your Smart Garden 9 Pro. Adjust light schedules and monitor growth from the palm of your hand with a user-friendly interface. Bluetooth wireless technology simplifies your life, allowing you to manage light settings and receive expert plant care tips directly through your smartphone.

Automatic Watering
The Smart Garden 9 Pro goes beyond convenience with its automatic watering system. It's equipped with a 4 l/135 oz water tank that supports up to a month of growth without refill, ensuring your plants are always hydrated and healthy.

Pro-grow Lights
Adequate lighting is crucial for plant health, and the Smart Garden 9 Pro's pro-grow lights proficiently mimic natural sunlight. No matter the weather or season, these energy-efficient LED lights provide your plants with the necessary light spectrum, facilitating growth and vitality.

Nutrient Enrichment
Root health is paramount in the Smart Garden 9 Pro. The system is expertly designed to distribute the perfect blend of nutrients and oxygen, ensuring plants thrive from root to tip. Grow lush, nutritious produce with this advanced, soilless cultivation technology.

Year-round Cultivation
Defy the seasons with the Smart Garden 9 Pro! Whether craving fresh basil in the winter or vibrant flowers in the autumn, this system offers the perfect indoor solution to grow organic, pesticide-free plants all year. Enjoy fresh, home-grown produce any day of the year, right from your own living space.
How to get started
Just three easy steps!
1. Insert the plant pods: Our plant pods are biodegradable and contain no harmful chemicals.
2. Add water: The Smart Garden 9 has a 4 l/135 oz water tank, which holds enough water for up to one month.
3. Plug it in and enjoy: Thanks to its energy-efficient LED lighting system, the Smart Garden 9 only consumes 13W of power.

Package includes

- Click and Grow Smart Garden 9 Pro - White
- Complimentary set of plant capsules: 3x tomato, 3x basil, 3x lettuce
