Effortless Home Gardening

Transform your kitchen into a herb haven with the Click & Grow Smart Garden. Growing Apple Mint has never been easy; insert the refill pods into your Smart Garden and watch the magic happen. No green thumb is required – the technology takes care of your plants, ensuring they grow abundantly with zero effort.

Pesticide-free Organic Growth

With Click & Grow, relish in the peace of mind that comes from knowing your Apple Mint is entirely untouched by pesticides, herbicides, and GMOs. Our Smart Garden emphasizes organic growth, bringing clean and healthy herbs to your table.

Bursting with Flavor and Aroma

Apple Mint's delicate and fresh flavour is perfect for various uses – from peppering up your cocktails to creating flavorful herb rubs for meats and seafood. Elevate everyday cuisine with the superior taste and aroma of freshly picked Apple Mint.

Apt for Culinary and Medicinal Uses

Not only does Apple Mint thrive in the Click & Grow Smart Garden, but it also serves a multitude of purposes. Rich in essential oils known for their antiseptic properties, they add a healthful twist to your meals and can be used medicinally as well.

Ideal Growing Conditions

Your Click & Grow Smart Garden ensures that Apple Mint grows optimally. It thrives best between 18°C – 30°C and requires minimal maintenance. Just sit back and enjoy the continuous harvests, with the first ready in as little as a month.

Package includes

- 3-pack of Apple Mint plant pods
