Effortless Planting Experience
Planting your arugula is a breeze with Click and Grow's Smart Garden refill pack. Just insert the plant capsules into your Smart Garden and watch your greens flourish. There is no need for a green thumb, as the system does all the work for you.

Aromatic, Peppery Salad Green
Arugula, also known as rocket or roquette, is a salad green with a distinctive, peppery flavour that will add a zing to any salad. These plant capsules ensure you'll enjoy an aromatic garnish that enhances your meals with its unique taste.

Cultivate Organic Arugula Indoors
The Smart Garden Refill pack allows you to grow pure, pesticide-free arugula right in the comfort of your home. Enjoy the benefits of clean eating with organically grown produce that you can trust.

Perfect for Italian Cuisine Enthusiasts
Fans of Italian cooking will delight in having fresh arugula at their fingertips. This leafy green is beyond popular in Italian dishes, and now you have the convenience of harvesting it as needed, bringing the authentic taste of Italy into your kitchen.

Compatible with Smart Garden Starter Kit
Ensure you have the Click and Grow Smart Garden Starter kit before using these plant capsules. Designed to be seamlessly compatible, the refill pack works perfectly with your existing kit so you can continue to grow your greens efficiently.
