Shockingly blue blooms for stunning indoor displays
Cornflower is renowned for its vivid, electric-blue flowers that instantly brighten any space. Grow a striking pop of color on your countertop or windowsill to enjoy a cheerful, floral focal point every day.

Edible petals to elevate teas and salads
Cornflower petals are edible and perfect for culinary decoration. Sprinkle them over salads for a splash of color or add them to your favorite tea blends to create eye-catching infusions.

Ready-to-use 3-pack refill for Click and Grow Smart Garden
Each capsule comes pre-seeded and ready to grow in your Smart Garden. Simply insert, fill the tank, and let your garden do the work—no mess, no hassle.

Grow cornflowers effortlessly at home
Designed for the Click and Grow system, these capsules make indoor gardening simple. Enjoy reliable germination and easy care so you can focus on enjoying the flowers rather than managing complex upkeep.

Ideal for gifting and sharing a storied classic
With a rich history and wide appeal, cornflower makes a thoughtful gift for home cooks, tea lovers, and plant enthusiasts. Share the beauty and tradition of this beloved bloom with family and friends.
