Premium Vegan Leather Design
The Satechi FindAll™ Keychain features high-quality vegan leather in an elegant sand color that complements any style. This material offers the luxurious look and feel of genuine leather while maintaining durability for everyday use. The sleek, minimalist design makes this tracker as fashionable as it is functional, seamlessly attaching to your keys, bag, or luggage.

Built-in Find My Technology
Never waste time searching for misplaced items again. The Satechi FindAll™ seamlessly integrates with Apple's Find My network, allowing you to precisely locate your belongings through your iPhone, iPad, or Mac. The intuitive interface provides step-by-step directions to your items, displaying exact distance and direction for quick recovery no matter where you've left them.

Wireless Charging
Stay powered without the hassle of cables. The Satechi FindAll™ features convenient wireless charging technology that ensures your tracker is always ready when you need it. Simply place it on any Qi-compatible charging pad for a quick power boost. The long-lasting battery provides extended performance, reducing the frequency of recharging and keeping you connected to your valuables longer.

Real-time Alerts
The Satechi FindAll™ provides peace of mind through intelligent notification features. Receive instant alerts on your Apple device when you accidentally leave your keys or bag behind, preventing potential loss situations before they happen. Customize your notification settings to suit your specific needs and create separation alerts for your most important items.

Advanced Bluetooth Connectivity
Equipped with cutting-edge Bluetooth 5.4 LE technology, the Satechi FindAll™ offers fast and reliable tracking performance with enhanced range. The stable connection works seamlessly with the Apple Find My network, providing reliable tracking even in crowded or challenging environments.
