

Enhance your home with the fragrance and flavour of the Mediterranean by adding the Click and Grow Smart Garden Refill 3-pack - Rosemary to your Smart Garden collection. An essential herb for both kitchen and wellness routines, this rosemary capsule pack ensures you have a steady supply of fresh herbs at your fingertips.

- Specially designed for the Click and Grow Smart Garden system
- Easy-to-use Plant Capsules
- Lush, aromatic rosemary plants
- Requires Smart Garden Starter Kit
- Endless possibilities for culinary uses and aromatherapy benefits

Specially designed for the Click and Grow Smart Garden system

Our Grow Smart Garden Refill Rosemary capsules are expertly crafted for seamless integration with your Smart Garden Starter Kit. They are perfectly proportioned for quick insertion and optimized growth, ensuring your Smart Garden continues to provide both beauty and utility to your home.

Easy-to-use Plant Capsules

Each Grow Smart Garden Refill pack includes three rosemary plant capsules that are effortless to use. Just insert them into your Smart Garden and watch as they sprout and thrive with minimal effort, providing a continuous supply of fresh rosemary.

Lush, aromatic rosemary plants

Rosemary is not only culinary gold but also treasured for its enchanting aroma. With these refill capsules, you can harvest your lush, aromatic rosemary right from the comfort of your home, giving you the freshest ingredients for your cooking and the natural aroma for your living space.

Requires Smart Garden Starter Kit

To utilize these refill capsules for growing your rosemary plants, you will need the Smart Garden Starter Kit. It provides the ideal micro-environment for your herbs to flourish, ensuring they receive just the proper water, light, and nutrients.

Endless possibilities for culinary uses and aromatherapy benefits

Expanding your home-growing with our rosemary capsules opens a world of possibilities. The benefits are boundless, from concocting scrumptious, herb-infused dishes to utilizing rosemary oil to enhance memory and mood.
