Glossy 100W Fast Charging
The ALOGIC 100W USB-C PD Inline GaN Power Adapter is not your traditional charger. Utilising the latest USB-C Power Delivery technology, it charges most modern laptops, tablets, and phones at the safest and fastest rate. Its advanced charging efficiency delivered through GaN (Gallium Nitride) technology allows an incredible100W of power flow, the maximum supported by USB Power Delivery 3.0.

Compact & Travel Friendly
With a weight of only 280g and a height of barely 3cm, the ALOGIC Inline GaN Charger is indisputably one of the most compact laptop chargers available today. This lightweight and sleek design makes it ideal for trips, or for those who prefer a clutter-free workspace. Small yet powerful, it's the epitome of chic technology.

Integrated 1.5m USB-C cable
The ALOGIC charger comes with an integrated 1.5m USB-C cable. This built-in feature ensures your power source is always at hand and prevents any loose or lost cables. Connect with ease and experience the streamlined convenience of ALOGIC.

Detachable 1.5m Power Lead
The Charger also features a handy, detachable 1.5m power lead. This element provides versatility, allowing you to customise your power source depending on your needs. Freedom and flexibility make power adjustments accessible and expedient.

World-Class Safety Features
Your safety is a priority at ALOGIC. Therefore, every component of our Rapid Power Inline GaN Chargers is centred around security measures. These include protections against overcurrent and overvoltage, short-circuit, and UL94 V-0 Fire-Rated Housing. This ensures you and your devices are safe, even when charging away from home.
