ALOGIC Clarity Pro 27" UHD 4K Monitor - Space gray

A game-changer in the world of displays! Immerse yourself in the stunning clarity and lifelike detail of UHD 4K resolution, all brought to you by the ALOGIC Clarity Pro Monitor. This 27" monitor boasts powerful performance and innovative features, designed to enhance your productivity and elevate your entertainment experience. With a built-in webcam and 65W power delivery, it's perfect for any workspace or home office setup.

- UHD 4K Resolution
- Built-in auto-retracting 8MP Webcam
- 65W Power Delivery
- 27" display size
- Flexible viewing modes
- Multiple Connectivity Options

UHD 4K Resolution
Experience spectacular visuals with the ALOGIC Clarity Pro's UHD 4K resolution. Offering four times the detail of Full HD, this monitor displays vibrant colors and crisp details, ensuring your work and media content look better than ever. Its exceptional color gamut, vivid 350 cd/m2 brightness, and sharp HDR contrast make it a powerful tool you can stake your creative reputation on.

Built-in 8MP Webcam
Stay connected with an integrated 8MP auto-retracting webcam that slides up for your video calls and hides away for privacy. Perfect for video conferencing or catching up with family and friends, this monitor enables seamless communication. No need for any additional hardware or extra cords, enjoy the convenience of a built-in camera right at your fingertips.

65W Power Delivery
This monitor doesn’t just deliver spectacular visuals but powers your workspace. With a 65W power delivery, it can quickly charge your devices directly from the monitor, eliminating the need for separate power bricks or outlets. A single cable transmits power, data and video - all at once.

27" display size
Take advantage of a broad viewing area with an ample 27" display. Whether you're working on a presentation or catching up on your favorite show, you'll appreciate the much space and high detail the display affords.

Multiple Connectivity Options
Experience versatile setup possibilities with multiple connectivity options. The ALOGIC Clarity Pro is equipped with USB-C, USB-A, USB-B, HDMI, and DisplayPort ports, allowing seamless compatibility with most devices.
Flexible Viewing Modes
The Clarity Pro's aluminum stand allows for easy pivot, tilt, and swivel adjustments, ensuring ergonomic comfort. Its 178° viewing angle offers clear visuals from wide angles, enhanced by a smart rotation sensor for quick landscape to portrait switches, ideal for varied tasks like video editing and email monitoring
