Comprehensive Port Selection

Expand the functionality of your laptop with the ALOGIC DV3's extensive array of ports. Connect everything from your smartphone and tablet to your keyboard and mouse easily. The five USB ports (including USB-A and USB-C) bring flexibility and convenience to your fingertips. Meanwhile, Gigabit Ethernet provides a steady and dependable internet connection for all your online tasks. Enjoy the productivity benefits of a traditional desktop with the DV3's range of connections.

Triple Display Support

Immerse yourself in a multi-monitor setup with up to three Full HD displays running at a smooth 60Hz refresh rate. With the ALOGIC DV3, enhance your efficiency by multitasking across multiple apps and windows without the need to toggle constantly. Visualize your projects and workflows clearly, and see more of your work simultaneously.

Universal Compatibility

Say goodbye to compatibility woes. Tailored to meet the demands of the modern professional, the ALOGIC DV3 works with macOS, Windows, and Chromebook devices. Whether moving between workstations at home or in the office or switching to newer laptops, this hub's flexible connectivity options perfectly fit any setup.

High-Speed Charging

Keep your laptop powered up while you work with the DV3's robust power delivery capabilities. Delivering up to 100W of power (with 92W dedicated to charging your computer), your device stays charged and ready to tackle any assignment. Productivity doesn't have to pause, thanks to the rapid power-up speed of this compact yet mighty hub.

Streamlined Data Transfer

Efficiency meets speed when you use the ALOGIC DV3. Transfer your important data, media files, and more at lightning speeds, minimizing downtime and jump-starting your productivity. Equipped with USB-A 3.0 and Type-C ports supporting up to 5 Gbps, your file transfers are fast and hassle-free, keeping you ahead of the curve in the fast-paced digital workspace.
