Lightweight and Ergonomic
The Echelon mouse features a low-profile design that comfortably fits your hand for prolonged use, ensuring you remain productive without discomfort. Its lightweight build makes it the perfect travel companion, easily slipping into your pocket or bag for on-the-go convenience.

Modern and Minimalist Design
With its clean and understated appearance, the Echelon mouse complements any workspace. Its whisper-quiet click ensures a distraction-free environment, maintaining office harmony without compromising style.

Switch Devices with Ease
Designed for seamless multitasking, the Echelon mouse lets you switch between two paired Bluetooth devices with a simple click. Additionally, you can connect a third device using its 2.4GHz USB-A dongle, providing flexibility and efficiency in your daily tasks.

Long Battery Life and Rechargeable
Say goodbye to disposable batteries with the Echelon's innovative USB-C charging. The mouse offers weeks of use on a single charge and can be easily recharged through your USB-C port, even during operation.

Versatile Compatibility
The Echelon mouse is compatible with a range of devices, including Windows, macOS, Android, iOS, and Chromebooks. Its dual connectivity options—Bluetooth and 2.4GHz USB-A—ensure a reliable and responsive experience no matter your setup.
