ALOGIC PRIME DX2 Universal Dock - Space gray

Transform your laptop into a fully operational workstation with the Alogic ALOGIC PRIME DX2 Universal Dock. This essential accessory is engineered to enhance your productivity by offering expanded display capabilities, high-speed charging, and universal connectivity. Whether for a home office, educational setting, or corporate use, the ALOGIC PRIME DX2 Universal Dock provides the ports you need for an efficient and clutter-free environment.

- Dual 4K Display Support
- 100W Power Delivery for Charging
- Universal Connectivity with USB-C + USB-A
- High-Speed Data Transfer
- Multiple Ports for Comprehensive Functionality

Dual 4K Display Support
Equipped with twin DisplayPort outputs, the ALOGIC PRIME DX2 Dock enables you to connect up to two external displays simultaneously, supporting 4K resolution for a visually stunning and highly productive multi-monitor setup. This enhancement broadens your visual workspace and optimizes efficiency for graphic design, data analysis, and other professional tasks.

100W Power Delivery for Charging
The dock delivers up to 65W of power to charge your laptop, ensuring your device remains fully charged while you work. The integration of USB Power Delivery means a single USB-C cable can connect peripherals, charge your laptop, and eliminate the need for multiple power adapters, streamlining your workspace.

Universal Connectivity with USB-C + USB-A
With its truly universal design, the ALOGIC PRIME DX2 Dock connects seamlessly with modern USB-C and older USB-A laptops. This cross-platform compatibility caters to diverse IT network requirements, making it a versatile solution for any user in any workspace.

High-Speed Data Transfer
Enjoy high-speed data transfer with the dock's multiple USB ports. The USB-C 3.1 Gen 2 port and USB-A 3.1 Gen 1 ports support 10G and 5G speeds, respectively. Move large files or perform backups in the blink of an eye, reducing downtime and increasing productivity.

Multiple Ports for Comprehensive Functionality
The dock boasts a multitude of ports to connect all your standard peripherals. From dual DisplayPort video outputs, USB ports, and Gigabit Ethernet to a combo headphone/microphone jack, the ALOGIC PRIME DX2 Dock is the hub that satisfies every connectivity need.

Package Includes
