- Certified safe and reliable

The Latest GaN Technology
Experience the power of the next generation with our charger's Gallium Nitride (GaN) technology. This advanced semiconductor replaces silicon, enabling remarkable energy and power within a compact size.

Fast Charging for Three Devices
Achieve the highest possible charging speed with the ALOGIC Rapid Power charger. It's equipped to power up any two USB-C & USB-A devices; laptops, tablets, or phones simultaneously.

Compact and travel-friendly design
The ALOGIC Rapid Power GaN Charger is designed with portability in mind. We understand the needs of a traveler which is why it comes with US/EU/UK/ANZ travel adapters and a braided USB-C to USB-C cable - all packed neatly in a travel case.

Certified Safe and Reliable
We prioritize the safety of your devices. With USB PD technology, our charger assures a quick and safe charging process for all your devices, eliminating the risk of overcharging or overheating.
