Alogic presents the next generation connectivity solution for your office or home desk—ALOGIC SPARK 6-in-1 USB4 Hub with 8K HDMI. Propelling the connectivity to the supreme speed of 40 gigabits per second, this multi-port adapter is designed to keep your desk clutter-free, while the ultra-high definition 8K HDMI video output offers crystal clear visuals.

- Next Generation USB4 Performance
- Compact, Robust Connectivity
- Crystal Clear 8K HDMI Video Output
- Wide Device Compatibility
- Up to 100W Power Supply

Next Generation USB4 Performance:
With ALOGIC SPARK 6-in-1 USB4 Hub, no need to compromise on connectivity anymore! It offers 40 gigabits per second transfer speed, which is twice the bandwidth of the fastest USB 3 connection. Despite being the cutting-edge standard for data transfer, this USB4 is totally backwards compatible with existing USB 3 or Thunderbolt ports.

Compact, Robust Connectivity:
Declutter your desk with this compact ALOGIC device. This 6-in-1 USB4 Hub enriches your desktop experience by supplying the connectivity you need without the desktop footprint. It extends your USB4 computer connection, including 8K HDMI, dual 10Gbps USB, Gigabit Ethernet, and a USB-C PD charging input for up to 100W of power, all stacked in a small box.

Crystal Clear 8K HDMI Video:
Elevate your visual experience with ALOGIC SPARK's HDMI 2.1 connection that supports ultra-high-definition 8K resolutions at a silky smooth 60Hz. Whether for work or entertainment, this hub's ultra-fast USB4 transfer speeds ensure you make the most of your display.

Wide Device Compatibility:
The ALOGIC SPARK 6-in-1 USB4 Hub seamlessly integrates with Windows, MacOS, and Chrome OS computers. Be it old or new, USB3 or Thunderbolt ports, this hub supports it all!

Up to 100W Power Supply:
The ALOGIC SPARK Hub can either be powered from the host computer or via a USB-C Power Delivery (USB PD) power adapter (not included), supporting power sources up to 100W.
