ALOGIC Super Slim HDMI Cable with Ethernet Ver 2.0b - 1m - Black

Transform your entertainment setup with the ALOGIC Super Slim HDMI Cable with Ethernet Ver 2.0b - 1m. This premium cable is designed to deliver unparalleled video quality and sound, providing an exceptional viewing experience.

- Connectivity at Its Finest
- Innovative Ultra-Slim Design
- High-Quality Visuals
- Ultimate Cable Flexibility
- Enhanced Data Capabilities

Connectivity at Its Finest
Enjoy a flawless connection between your HDMI devices with the ALOGIC Super Slim HDMI Cable. Featuring HDMI 2.0b compliance, it seamlessly links your HDMI source to your display, ensuring a stable and high-quality transmission of audio and video signals.

Innovative Ultra-Slim Design
With its low-profile connectors, the ALOGIC HDMI cable boasts a sleek design that is 80% less bulky than standard cables. This slim build not only looks good but also facilitates easier cable management and handling, making your entertainment unit clutter-free.

High-Quality Visuals
Experience the zenith of visual quality, as this cable supports resolutions up to Ultra HD 4K. It guarantees a high-definition feed with lifelike colors and crisp detail, essential for immersive viewing on 4K displays.

Ultimate Cable Flexibility
Constructed to ensure maximum flexibility and lightness, this cable can navigate through tight spaces and awkward angles with ease. Whether it's in a rack, mounted on the wall, or attached to a monitor, this cable performs without compromising on signal strength.

Enhanced Data Capabilities
The ALOGIC Super Slim HDMI Cable comes with an inbuilt Ethernet channel providing a dedicated network connection. This feature eliminates the need for additional cables, streamlining your connectivity and enabling smart features on your HDMI-enabled devices.
