Twelve South PowerCord 1.2m - Slate

The Twelve South PowerCord 1.2m (Slate/Black) combines a 30 W USB-C Power Delivery charger, a durable braided cable and an integrated EU plug in one streamlined design. It keeps charging simple at home or in the office, with no separate power adapter needed.

- Practical 1.2 m length – Balances reach with easy cable management.
- Built-in 30 W USB-C Power Delivery charger – Provides fast, efficient and safe charging for phones, tablets and laptops.
- Durable flat braided nylon cable – Resists tangling, fraying and everyday wear.
- Integrated EU plug – Fits all standard EU power sockets.
- Understated Slate/Black finish – Complements modern and Scandinavian-inspired interiors.
- Quality construction – Reinforced strain relief and premium materials support reliable daily use.

Practical 1.2 m Length
The 1.2 m cable offers convenient reach for charging on a desk or bedside table without being difficult to manage.

30 W USB-C Power Delivery Charger
With 30 W USB-C PD 3.0 / PPS support, PowerCord delivers fast, efficient charging for a wide range of USB-C devices, including iPhones, iPads, MacBook Air and other laptops. The charger is built in, so you do not need a separate power adapter.

Durable Flat Braided Nylon Cable
The flat braided nylon cable resists tangles, fraying and everyday wear. Its low-profile design lies flat against your desk or wall to keep your setup tidy.

Integrated EU Plug
Designed for use in Europe, the integrated EU plug fits all standard EU power sockets for a secure, stable connection at home, in the office or while travelling.

Understated Slate Finish
The Slate/Black finish reflects Twelve South's minimalist aesthetic. Its neutral tones blend into modern and Scandinavian-inspired interiors.

Quality Construction for Reliable Power
Reinforced connectors, strain relief and premium internal components support safe, consistent power delivery for reliable everyday use.
