ALOGIC Ultra Mini DisplayPort to HDMI 4K @60Hz adapter - Space gray

Elevate your viewing experience with the ALOGIC Ultra Mini DisplayPort to HDMI 4K @60Hz adapter, specifically designed to connect your Mini DisplayPort-enabled devices to HDMI-equipped displays with unrivalled clarity. Whether projecting to a monitor, TV, or projector, this compact yet powerful adapter supports Ultra-high-definition 4K resolution at a smooth 60Hz, ensuring your visuals are seen and felt with every pixel.

- Flawless 4K @60Hz Resolution
- Active Chipset for Universal Compatibility
- Plug and Play Convenience
- Ultra-Durable Design
- Superior Audio Support

Flawless 4K @60Hz Resolution
Experience the pinnacle of high definition with flawless 4K resolution at 60Hz for a visual feast that brings your content to life. With this ALOGIC adapter, you'll never miss a detail whether you're immersed in gaming, professional video editing, or enjoying your favourite shows.

Active Chipset for Universal Compatibility
The ALOGIC adapter features an integrated active chipset, supporting ACTIVE conversion for devices lacking DP++ output. This adaptive solution ensures your adapter is readily compatible with a wide range of Mini DisplayPort and DisplayPort outputs.

Plug and Play Convenience
Maximize your productivity with instant plug-and-play functionality. This adapter requires no additional drivers or software, making setup a breeze so you can focus on what's important - your content.

Ultra-Durable Design
Engineered with longevity in mind, the ALOGIC Ultra adapter uses high-grade materials such as metal alloy housing and TPE reinforcement to withstand the rigours of daily use. Durability meets design in this sleek, space-grey adapter.

Superior Audio Support
Immerse yourself in rich, high-fidelity 7.1 surround sound. This adapter ensures your auditory experience is just as impressive as your visual one, delivering crystal-clear audio to complement your high-resolution display.

Package includes
