Compact and Lightweight Design
The ALOGIC Ultra Mini Adapter offers a very compact form factor, resulting in an unobtrusive addition to your setup. Small and discrete, it won't add any bulk to your carrying case or work area, maintaining the sleek appearance of your devices while offering robust network connectivity.

Unmatched Portability for On-the-Go Use
Designed with mobility in mind, the ALOGIC Ultra Mini weighs less than 20g, making it the perfect companion for busy professionals and students. Effortlessly tuck it into your laptop bag, handbag, or pocket, and have it ready whenever you need a reliable Ethernet connection without carrying additional weight or bulk.

Premium Build Quality for Durability
Constructed with a metal alloy jacket and TPE, the ALOGIC Ultra Mini is crafted for style, support, and strength. This attention to quality ensures that the adapter isn't just aesthetically pleasing but is also built to last, with a premium finish you can feel and a robustness that exceeds performance standards.

High-Speed Internet Connectivity
Upgrade your internet experience with swift data transfer rates of up to 5Gbps via USB 3.2 Gen 1 Type C. This adapter supports 10/100/1000Mbps network connections, offering the bandwidth needed for uninterrupted streaming, gaming, and video conferencing.

Universal Compatibility
The ALOGIC Ultra Mini Ethernet Adapter is designed to work flawlessly with a vast range of devices, including those from Apple, Chromebook, and Microsoft. If your device has a USB-C port, this adapter will provide a stable and fast Ethernet connection, ensuring you're always connected when needed.
