ALOGIC Ultra USB-C to HDMI Cable with Smart LED, 2 m - Space gray

Make every screen look its best. The ALOGIC Ultra USB-C to HDMI Cable delivers crystal clear 4K at 60Hz from your USB-C laptop, tablet, or phone straight to your TV, monitor, or projector. No dongles. No drivers. Just a premium, reliable, and beautifully finished cable that works instantly and looks great on your desk.

- 4K 60Hz direct USB-C to HDMI connection
- Plug and play simplicity
- Smart LED connection indicator
- Premium ultra build in space gray
- Broad device compatibility

4K 60Hz direct USB-C to HDMI connection
Enjoy ultra-smooth, pin-sharp visuals at up to 3840 x 2160 resolution at 60Hz. This cable gives you a direct link from USB-C to HDMI without adapters, so you get fewer points of failure, tidier setups, and flawless performance for work, streaming, and gaming.

Plug and play simplicity
Forget drivers and software. Just connect and go. The cable works immediately with supported USB-C devices, making it ideal for fast presentations, hot-desking, and quick home setups.

Smart LED connection indicator
An integrated white LED shows when the cable is connected and ready, so you can confirm your setup at a glance. It takes the guesswork out of troubleshooting and speeds up installation.

Premium ultra build in space gray
Crafted from aluminum and TPE with a refined space gray finish, this cable is made to last and designed to complement modern devices. It is durable, flexible, and worthy of your everyday carry and desktop alike.

Broad device compatibility
Works with USB-C ports that support DisplayPort pass-through and with Thunderbolt 3 ports across Windows, Mac, and Chromebooks. One cable for the office, home, and on the go.
