Pre-Moistened Tissues
Each tissue in the AM Keyboard Cleaning 50 pack is pre-moistened with a powerful IPA solution. Ready to use right out of the pack, these tissues eliminate the need for separate cleansers, offering immediate efficiency when you need it the most.

Efficient Cleaning
The AM Keyboard Cleaning 50 excels in effectively removing dirt, grease, bacteria, and allergenic substances. These cleaning tissues leave no room for stubborn impurities, refreshing your keyboard or gadget surfaces after every use.

Individually Packed
Our cleaning tissues are individually packed in foil bags to ensure freshness and maintain the moisture content of the tissues. This careful packing not only enhances cleaning performance but also aids in extended shelf life.

Suitable For Multiple Devices
AM Keyboard Cleaning 50 is suitable for cleaning a range of devices including computer keyboards, phones, remote controls, calculators, printers, and copying machines. It’s your one-stop solution to keep your devices spick and span!

Ensures Hygiene
In this era where hygiene has prime importance, our cleaning tissues help remove bacteria and allergens, assuring you and your family a safer touch. It’s not just about cleaning, it’s about safeguarding health!
